Re: Washoe County COVID-19 Local Authority Mitigation and Enforcement Plan

Chairman Cage:

Members of the State of Nevada COVID-19 Mitigation and Management Task Force, please accept this letter as my endorsement of the Washoe County COVID-19 Local Authority Mitigation and Enforcement Plan.

Pursuant to the Governor's Declaration of Emergency, Directive 041 the Washoe County plan must be endorsed by the following entities:

- Local Health District/Authority
- Superintendent for the local school district
- City Managers (only for those cities with population in excess of 100,000)
- Nevada Hospital Association and/or Nevada Rural Hospital Association

This plan has been prepared in a collaborative nature that will provide for the continued responsible approach to reopening aimed at ensuring success for the long term and not just in the immediate future.

Sincerely,

Kevin Dick
